Best Start – was completed yesterday. The results will be uploaded soon and a report will be sent home for Kindergarten students.

P&C the first P&C meeting for term 1 is on Monday afternoon the 17\textsuperscript{th} of March in the K12 room. It starts at about 3.15 and all are welcome.

Library Day for K12 is on Wednesdays and 3456 is on Tuesday.

School Mobile number is: 0439 648 017

Small School Swimming Carnival is on next Friday for students in 3456. It will be held at the Toronto Swim Centre. Please sign the attached permission note and return it to school tomorrow so we can sort out our transport. To get into the pool will cost kids $2.60 – please send this to school with the note as the school gets the kids in on a bulk entry price. Spectators will have to pay $2.60 also but this must be paid at the door as you get in.
We will try to leave school at about 9.20am as the carnival will start about 10am. It should be all over around 2 / 2.30pm. Your child will need swimmers, towel, food and drinks. Children are not permitted to go to the shop so they won’t need any money.
This carnival is for all students in Yrs 3456. There will be events for good, OK and learning swimmers.

Healthy Harold, Life Education is on Monday the 24\textsuperscript{th} of March. There is no cost to your children. Their bus is providing transport on that morning.

Year 6 Transition Program Toronto High School has sent out the first round of activities for term 1. Our Year 6 are invited to 2 sessions, 4.3.14 and 18.3.14 – The activities are cooking, Visual Arts, Science and PE. The sessions start at 12.00 and finish at 2.00pm if someone can provide transport. Please sign and return the permission slip.

Men’s Shed We had two lovely visitors today who came to fix the edge of the deck for us. They assessed the damage and returned with a plank and fixed it. Thank you very much and we would encourage the community to support their project as they love to give back to the community.

Water Bottles and Fruit Break The school will provide all students with a water bottle that can be refilled when necessary from the staffroom filtered water tap. Also students can bring fruit to eat in class for a break. They bring it in in the morning and leave it on their table. We call it ‘sip and crunch’. It’s designed to give a short break and an energy boost.

Mr Mac’s Kitchen will run in place of the legendary Miss Tip’s Kitchen but probably with the same sort of stuff. The idea is to provide a variety of food different from the canteen stuff. Bear in mind that Mr Mac isn’t allowed in the kitchen at his house so it won’t be gourmet fare by any means.
The first one will run next week on Tuesday and will be Hot Dog Day. Please send in $2 to Mr Mac.
If your child wants to eat this they must have the money in and indicate that they want it by the Monday arvo or he won’t know how much stuff to buy.

<thead>
<tr>
<th>English</th>
<th>Maths</th>
<th>Other</th>
</tr>
</thead>
<tbody>
<tr>
<td>Miss Tip's K12 Narratives</td>
<td>K - Whole numbers 1 &amp; 2 – Length</td>
<td>Science – We are finding mini creatures in the playground and recording our observations. Creative Art – We are finishing our paper bag spiders and starting our mini creatures sculpture.</td>
</tr>
<tr>
<td>Mr Mac's 3456 Narratives. Next week we will concentrate on the structure of a narrative and descriptions to make it more interesting.</td>
<td>3 – subtraction without trading. By the end of the week we hope to be able to trade. Position, and some Time</td>
<td></td>
</tr>
<tr>
<td></td>
<td>4/5/6 Same as Year 3 but harder algorithms, solving problems and working length concepts into the subtractions. Time.</td>
<td>Creative Art We will be painting and drawing “Faces” – experimenting with using different sized and shaped features. Science – Our topic this term is about Microorganisms. We have been making bread and investigating the effect of yeast in the process. Did you know that yeast is a living thing?</td>
